# French for High School students

## *Expression of interest*

This program is designed for new beginner students from **grades 8 to 12** who do not study French at school and wish to learn, for further studies or purely out of interest. Lessons are structured around up-to-date, motivating topics that appeal to teenage students.

### During these courses, you will:

- develop in depth your language skills - listening, speaking, reading and writing, including vocabulary building and grammar accuracy;
- learn to correctly express your thoughts and ideas;
- have plenty of opportunities to practise and reinforce all four language skills through practical tasks, language development activities and role-plays;
- cultivate a real interest in the language and become more confident;
- gain an exciting insight into French culture.

### Course format

- 2 hours classes per week over 10 weeks for each term;
- Classes are offered on Saturdays between 10 am to 12 noon.
- 15 students maximum by class;
- Classes would start in March but the Alliance Française de Toowoomba reserves the right not to open the program if we do not receive enough expression of interest.
